ASBESTOS INSPECTION EXEMPTIONS:

The asbestos provision of *The Code of Virginia* and the *Virginia Uniform Statewide Building Code (VUSBC)* exempt the following from the asbestos inspection requirements for buildings to be renovated or demolished.

- * Single family dwellings* (unless they are being renovated or demolished for commercial or public development purposes.)

*Please note that the asbestos inspection exemption of single-family dwellings in the *VUSBC* does not exempt buildings from asbestos provisions enforced by the Fairfax County Health Department.
- * Residential housing with four or fewer units.
- * Small projects where the combined amount of regulated asbestos material is less than 260 linear feet of material on pipes or less than 160 square feet on other facility components or less than 35 cubic feet off components if length or area cannot be measured.
